

ALWIN IN TROUBLE

Follow the path up to the Onkeljoch, symbols will greet you along the walk. Connect them right on the map you hold, to find a blue letter and red number bold. If you are clever, they will then, reveal the way to my hidden den.

These symbols here, you must complete, two halves to one, make them neat.

Then top to bottom, take a view, what comes as fourth—what's your clue?

The correct symbol on the stone, choose with care, or you'll get a surprise, I swear.
